# DEDICATED TO

# MISS CHARLOTTE SPINNEY

We, the Class of 1979, dedicate our yearbook to a woman who has been more than a teacher to us. These past two years as our class advisor, she has unselfishly sacrificed her time and energy working in our behalf. She has been a friend — always taking the time to care, listen, support, and guide us. We are grateful to her for making our four years at Westborough High School memorable and successful ones for us.

# SPECIAL THANKS

MR. FRANCIS PELLETIER
1979 YEARBOOK ADVISOR

We thank you for
your guidance
your patience
your concern
and most importantly,
your support when we needed you the most.

The Yearbook Staff would also like to extend their appreciation to:

Pam and Marty of Purdy Studios
and
John Carrier of Herff Jones

# FACULTY

Dr. Edward E. Kelleher
Superintendent of Schools

Mr. Roger Thurston
Assistant Superintendent

Mr. Vernon Willard
Business Manager

SCHOOL COMMITTEE: Mr. Lowe, Dr. Malone, Mr. Farrow, Mrs. Smith, Mr. Becker

To the Class of 1979:

As you recieve your Yearbooks, we hope that each of you will be able to look back upon and review a most successful high school career. It has been wisely stated that the only place that success comes before work is in the dictionary. Even The woodpecker owes his success to the fact that he uses his head and keeps pecking away at the task until he finishes what he starts. As you stand on the threshold of Gradutation, we hope that you have learned this lesson well.

We hope, too, that all of your future endeavors will be truly successful, and unlike the pessimist who says "If I don't try, I won't fail", you will act like the optimist who says "If I don't try, I won't succeed."

J. Robert Vail
Principal

# KARL OF SWEDEN

This year has been a lot of fun, but it has also meant that I have gotten to know more about many things. I now know what "living in the USA" is like, and I know that I like it. I would like to thank everybody that made this year possible and everybody that made it unforgettable.

Karl.

# DOMINIQUE OF SWITZERLAND

This year here in the USA means a lot to me and it will be very important in my future. I've got to know a lot of other people and customs. — I've really enjoyed the "American way of life". I will always remember the good times I've had in Westboro.
I would like to thank Nancy & the Watts family and all those who have become my friends and who have helped to make this year an unforgetable experience.

# BELINDA OF VENEZUELA

Is hard for me try to find words to say how I feel after all, since I've arrived to my last days; I really had a great time with the people around or far away from me. I learned so much things about life.
I don't think nobody in special, every singal one show me something about myself, my way and how find in everyone a special love
I just know all of you will be somewhere in my mind
